HARTENBERG

FAMILY VINEYARDS

The Megan is a tribute to Megan Mackenzie, wife of Ken "Stork" Mackenzie whose family still owns Hartenberg Estate. Megan met Ken whilst still at school and so once time passed, they got married and so started a year love story. Initially assisting in the family business, but also a celebrated harpist, Megan sowed the early seeds for the decision to later buy Hartenberg, whilst on their honeymoon vacation to the Cape many years ago. Megan sadly passed away as a relatively young lady and Ken never remarried till his passing away in 2003.
