HARTENBERG ESTATE WINES

PUBLIC FACILITIES AND EXPERIENCES

There is no better way for our consumers to experience Hartenberg's wines and brand of uncompromising quality than on our farm, so we have a number of facilities, tours and experiences enabling them to do so.

Please note that Hartenberg does not entertain private functions and events as this can interfere with wine-making. Here's what we do offer, though:

Where better to enjoy a summer meal than in the cool gardens outside our tasting room.

Tastings

Dec, Jan: 09h00 to 17h00, seven days a week.

Feb to Nov: 09h00 to 17h00, Monday to Saturday.

Public Holidays: Closed.

Underground Cellar Tours

By appointment only.

Lunches

Summer: A cold luncheon designed around the wine is served in the gardens surrounding our tasting room. Booking essential.

Winter: A hot lunch is served in the tasting room. Also with booking essential.

Walks

Our wetland trail was completed recently. Buy a picnic backpack from the tasting room to enjoy en route.

Picnics

Picnic lunch baskets (and wine!) are available to enjoy anywhere on the vast lawns of the estate.

Children's facilities

Children are welcome on Hartenberg, and a fully-equipped playground is available for public use.

Both the winter and summer menus are designed around our wine.
